Cranberry Evolve 300 Nitrile Gloves

The Evolve 300 Nitrile Powder Free Examination Gloves are Cranberry's latest and softest gloves yet, combining comfort and tensile strength without sacrificing tactile sensitivity. Cranberry's exclusive EvoSoft™ formulation gives Evolve a unique silk-like attribute that is both soft and strong with textured fingertips for precise gripping under all operating conditions.

Cranberry Transcend Nitrile Gloves

- Protect against Type I and Type IV hypersensitivity.
- No chemical accelerators are added during the manufacturing process, reducing the risk of skin dermatitis.
- Exceptionally strong and flexible formulation that prevents tearing, especially while donning.
- Anti-Slip Grip: provides secure handling in wet and dry conditions.
- 300 Space Saver Pack: maximize storage space and efficiency.

Cranberry Contour Nitrile Gloves

The contour is activated by body heat, providing an ergonomic shape that reduces hand fatigue during extended wear. In addition, the gloves provide latex-like comfort and excellent donning efficiency. The gloves are available in blue and are packaged 100 per box.

Available in sizes XS-XL

3115 (X-Small)
3116 (Small)
3117 (Medium)
3118 (Large)
3119 (X-Large)

Heat Activated

Body heat activated gloves ergonomically fit hands to reduce hand fatigue during extended wear. The fingertips are textured blue.

Data sheet

Cranberry Inspire Nitrile Gloves

Experience Cranberry's fittest and lightest gloves yet! Inspire nitrile gloves feature a distinctive Aegean blue color to minimize visible stains during use, as well as an improved fingertip texture for better grip and more control. Our exclusive InSoft™ formulation provides increased soft comfort. The 300 Saver Pack reduces storage space and packaging waste.
