Air Queen Nanofiber Filter Breeze Mask (White)

AIR QUEEN NANO Mask White
+ Scented Sterilior to disinfect hands and masks 99.9% against viruses.
• When it comes to quality, performance and breathability, the fibre nanoparticle filter - from AIR QUEEN - offers strong protection with high filtration and ventilation efficiency. It is Lightweight and ergonomically designed for optimal fit and comfort.
• Produced by AIR QUEEN, which specialises in the manufacture of masks:
Using a high quality filter created by the company's innovative technology.
• Internationally recognised for its excellent technical capabilities as a manufacturer of nanotechnology textiles.
• Comfortable 3D design: The nose to neck have been completely covered and efficient inhalation of soft dust has been prevented by the adhesion structure as it shows high stability when worn.

AIR QUEEN MASK:
• Three layers of nano-filter mask for protection. Each layer provides 100% protection against the viruses.
• Strong breathability + High humidity control + Practical and comfortable for the nose + Comfortable nylon ear loops + The masks are made in South Korea.
